Please note the following liability waiver and sign it upon arrival at the Finca:

LIABILITY WAIVER

for the use of transport between Playa de Vueltas and Argaga

Hereby I declare that I have been informed about the circumstances of the restricted access to Argaga. I am aware that a rockfall occurred in 2020 and that the access road has been officially closed since then.

If I use the road on foot or by vehicle, I do so at my own risk and responsibility. I declare that I will not assert any liability claims against the vehicle owner and/or driver if I participate as a passenger in a transfer between Playa de Vueltas and Argaga.

IMPORTANT INFORMATION FOR TRAVEL PLANNING

To arrive at the Finca on the same day, your flight should land in **Tenerife South** by early afternoon. From **Tenerife North**, this is only possible if landing by noon, as you still have to travel across the island.
If you want to have fun and read less: In our video "How to get to Argayall", we have made the journey super easy to understand.

1. ARRIVAL AT TENERIFE AIRPORTS

With **AutobusesMesa** you can book convenient package deals that bring you directly from the airport to Valle Gran Rey (VGR). Please note that you must book this ticket at least one week in advance! The closest bus stop to the Finca is **Rotonda de Vueltas**.

Individual Travel Connections from:

Tenerife South:

Take a taxi from Tenerife South Airport to the port in Los Cristianos (travel time approx. 20 min, approx. €28). The official bus to Los Cristianos does not go directly to the port; from the bus stop it is approx. a 20-minute walk to the ferry terminal.

Tenerife North:

From Tenerife North Airport, take a bus or taxi to Santa Cruz Bus Station and purchase a ferry ticket to La Gomera. The ticket price includes the Ferrybus, which departs for Los Cristianos 1.5 hours prior to the ferry departure.

2. FERRIES FROM TENERIFE (LOS CRISTIANOS) TO LA GOMERA (SAN SEBASTIAN OR VGR!)

There is a ferry connection from San Sebastian to Valle Gran Rey, bookable on the Fred. Olsen website (open the drop-down menu with the arrow pointing down to VGR). Can also be combined with the Armas ferry. Tickets can also be purchased at the counter.

3. OVERLAND JOURNEY FROM SAN SEBASTIAN TO VALLE GRAN REY

Bus from San Sebastian to Valle Gran Rey:

Linea 1, departs directly opposite the ferry terminal. Costs €5 (travel time approx. 90 mins).

Day	Departure Times
Monday – Saturday	10:20 / 15:20 / 18:20 / 21:20
Sunday	10:20 / 17:20 / 20:20
Public Holidays	10:20 / 17:20 / 21:20

In addition, an extra bus runs Monday–Saturday at 12:00, but only from the central bus station in San Sebastian.

In Valle Gran Rey, the closest stop to the Finca is at the roundabout **"Rotonda de Vueltas"**. Please inform the driver that you wish to get off there! Follow the sign "Argaga" to the left of the roundabout and walk for about five minutes to the port of Vueltas.

By Taxi:

Upon request, we can arrange transport via our taxi driver Carlos. The driver will be waiting at the pier holding an "Argayall" sign and will bring you to the port in Vueltas, Valle Gran Rey (total price approx. 70-80 EUR). In case of

4. JOURNEY FROM VUELTAS (VALLE GRAN REY) TO FINCA ARGAYALL

We organize your individual, private shuttle from the port beach in Vueltas (Valle Gran Rey) to Finca Argayall either by car or by boat. Please note that this shuttle is at your own risk and we reserve the right to make short-notice changes regarding transport method or timing.

Car Transfer

The meeting point is at the port beach directly in front of the gate blocking the path to the Finca. Our driver will be waiting there to assist you in stepping through an opening in the fence. The ride takes place in our Toyota over the officially closed gravel track and the rockfall area.

**For this, we kindly ask you to sign a liability waiver in advance. You can find it at the end of the travel plan on Page 1. Please sign it prior to arrival and send it back to us.*

Boat Transfer

Currently, we are not using the boat. However, in emergency situations, we can reactivate it within a few hours. In that case, we will naturally inform you in advance.

Pick-up takes place in front of the port bar Cofradia, where steps lead down to the water. There we will pick you up with a fishing boat or Zodiac. It is best to pack your luggage in waterproof packaging (plastic garbage bag or drybag) and wear short clothes, as feet and clothing may get wet when disembarking.

The boat ride takes approx. 7 minutes and depends on weather, wind, and waves. Furthermore, it can only be operated during daylight hours. In front of the Finca beach, a transfer into another small boat is required, which is then pulled onto the beach.

We wish you a wonderful and pleasant journey to La Gomera!

See you soon at Finca Argayall – Place of Light.
